Hello Kristen: Just a follow-up to our earlier telephone call today.

I'll mail the original withdrawal agreement via fed ex for delivery tomorrow morning at town hall planning offices.

I confirm that the attached pdf is a true copy of the original and the planning board may sign-off on the attached pdf with it having the same standing as the original.

I confirm that my signature on the document was my free act and deed, acting on behalf of and with the authority of Verizon Wireless as the Applicant.

The email below confirms that Verizon Wireless was copied on the withdrawal letter sent to Roland earlier this month.

Enjoy the rest of the summer.

Sincerely,

Jim V.

Jim:

Thank you for turning this around so quickly. We will put it on the 8/28 Pl. B. meeting for acceptance, then file with Town Clerk and then send you a copy of the filed document. I, too, appreciate your and Verizon's patience and willingness to work with us and the Planning Board through this matter. It has been a pleasure getting to know you. I hope the arrangement we found for your client will serve them well - at least for a few years.

Best Wishes -
